

KTDA OCCUPATIONAL SAFETY AND HEALTH (OSH) POLICY

1. INTRODUCTION

KTDA is committed to maintaining the highest standards of occupational safety and health (OSH) across all its operations including headquarters, factories, regions, and subsidiaries. This policy outlines our intent, organization, and arrangements for ensuring a safe and healthy workplace for all employees, contractors, and visitors.

2. PURPOSE AND SCOPE

This policy defines KTDA's approach to managing OSH in compliance with national laws and international best practices. It applies to all employees, contractors, and visitors at every KTDA location.

3. STATEMENT OF INTENT

KTDA is dedicated to preventing injuries, ill health, and unsafe acts by promoting proactive risk management, compliance with legal requirements, and continuous improvement in our safety culture. We will provide resources, training, and leadership to ensure every person understands and fulfills their OSH responsibilities.

4. ORGANIZATION AND RESPONSIBILITIES

Effective implementation of this policy relies on the commitment of all staff. The responsibilities are as follows:

Role	Responsibilities
Managing Director	Provides leadership, approves the policy, ensures adequate resources and compliance with
Factory/Regional Managers	Implement the OSH policy within their area, ensure employees adhere to safety standards.
OSH Officer/Safety Coordinator	Monitor compliance, conduct risk assessments, and report on OSH performance.
Supervisors	Enforce safe practices, report hazards, and ensure workers use PPE appropriately.
Employees	Follow safety procedures, report unsafe conditions, and participate in OSH training.

5. ARRANGEMENTS FOR IMPLEMENTATION

KTDA will establish systems and procedures to achieve this policy, including:

- Conducting regular risk assessments and audits.

- Providing OSH induction and refresher training for all staff.
- Ensuring safe equipment, PPE, and emergency preparedness.
- Investigating all incidents and implementing corrective actions.
- Holding regular OSH committee meetings at factory and regional levels.
- Monitoring performance and reviewing objectives annually.

6. COMMUNICATION AND REVIEW

This policy shall be communicated to all employees and made available to stakeholders. It will be reviewed annually or when significant operational, legislative, or structural changes occur.

7. APPROVAL

This OSH Policy is approved and signed by KTDA's top management and shall take effect from the date below.
